2. Degrees:

Year	Degree
1999	Ph.D. in Poultry Breeding - Zagazig University, Egypt jointly with the University of Munich for Technology, Germany (joint supervision) ¹ .
1992	Master in Poultry Breeding, Zagazig University, Egypt
1986	Bachelor of Agricultural Science (Animal Production Department), very good, Zagazig University, Egypt

¹ I had my PhD studies under the supervision of professors from universities in Germany and both the British and American Schools.

3. Academic Employments:

Duration	Employ
2014 : So far	Dean of Faculty of Agriculture, Moshtohor, Benha University, Egypt. (First and second terms)
24/3/2013 – 27/10/2014	Former Vice Dean of Graduate Studies and Research Affairs Faculty of Agriculture, Moshtohor, Benha University, Egypt.
2009: So Far	Professor of Poultry Breeding and Genetics, Faculty of Agriculture, Benha University, Egypt.
2004-2009	Associate Professor of Poultry Breeding and Genetics, Faculty of Agriculture, Moshtohor, Benha University, Egypt.
2006-2007	Associate Professor of Poultry Breeding and Genetics, Faculty of Agriculture, 7 th of October University, Bani Walid, Libya.
1999-2004	Lecturer of Poultry Breeding, Faculty of Agriculture, Moshtohor, Benha University, Egypt.
1992-1999	Assistant Lecturer, department of Animal Production, Faculty of Agriculture, Moshtohor - Zagazig University – Egypt.
1986-1992	Administrator, department of Animal Production, Faculty of Agriculture, Moshtohor - Zagazig University – Egypt.

4. Teaching Courses:

Undergraduate:	<ul style="list-style-type: none"> • Design and analysis of animal production experiments. • Principles of animal breeding. • Poultry breeding and improvement. • Computer Applications in animal production.
Post-Graduate:	<ul style="list-style-type: none"> • Animal populations. • Advanced poultry breeding and improvement. • Mixed models and statistical analysis. • Components of genetic variance for productive traits • Genetic evaluation using the animal models • Design of animal production experiments • Analysis of animal production experiments • Aquatic birds breeding and improvement • Origin and establishment of breeds and strains of poultry

5. Scientific Missions Abroad:

Year	Location	Scientific Mission
2018	Nigeria	Head of Banha University Delegation to the exhibition of higher education in three Nigerian States i.e. (Lagos-Abuja-KANO).
2016	China	Member of Benha University delegation for signing cooperation protocols between six Chinese universities from one side and Banha University from the other side, and also to attend the " Sino-Egyptian Forum to Benha University; joint research, Huzong of Agricultural University, China.

**Curriculum Vitae of
Prof. Dr. Mahmoud Maghraby Iraqi Amer**

Year	Location	Scientific Mission
2016	Oman, Jordan	Head of the Egyptian delegation to represent Benha University in global forum on higher education in the Middle East and North Africa - and attend the first gathering of higher education in Jordan.
2016	Sultanate of Oman	Attend a regional Conference on animal genetic resources conservation "towards sustainable use of animal genetic resources center" and the plant-Oman Sultan Qaboos University, Muscat, Sultanate of Oman "
2015	Ohio State University, USA	Conduct international relations with Ohio University of agricultural sciences in USA, and contribute to the conclusion of an international partnership to develop scientific research in Egypt.
2015	Kuwait	Member of Benha University delegation of participating in international exhibition of higher education in Kuwait.
2008	Technologic al University of Valencia – Spain	Training on the use of modern techniques in animal and poultry breeding and genetics "for two months at the University of Valencia – Spain.
2008	Verona – Italy	Attend the 9 th World Congress of rabbits held in Verona-Italy.
2006- 2007	Bani Walid, 7 October University, Libya	Assistant Professor, Faculty of Agriculture University of October 7-Bani Walid – Libya, by contracting through the Supreme Council of Egyptian universities according to International Convention between the two countries.
2003	Zaragoza, Spain	Attend the advanced training course organized by the International Center for advanced studies of agricultural sciences for Mediterranean countries and held in Agricultural Science Institute for Mediterranean countries, Spain.
1997	Democratic Republic of Germany	Attend the international advanced course of animal breeding and held in the College of agriculture, University of Kiel, Germany.
16/10/19 96 – 31/12/19 98	Democratic Republic of Germany	Member of the joint supervision mission for doctoral studies at the Institute of animal Breeding, Weinhstefhan, Technical University Munich (TUM)– Germany.

6. Participate in sessions of developing faculty members' abilities and quality assurance and accreditation:

Year	Location	Participation in:
2017	Conrad hotel	The accreditation criteria" second version"
2016	Conrad hotel	Standards for the accreditation of colleges and institutes of higher education "3rd version"
2014- 2018	Benha University	Trainer of Ethics of scientific research-research methodology
2014	Benha University	Support and continue of research projects for young researchers in Benha University

**Curriculum Vitae of
Prof. Dr. Mahmoud Maghraby Iraqi Amer**

Year	Location	Participation in:
2013	Center of Development Session – Benha University	Lecture entitled "Calendar of educational institution" under the capacity Development Session for faculty and their meanings.
2012	Faculty of Engineering (Shubra) – Benha University	Lecture entitled "Calendar of educational institution" under the capacity Development Session for faculty and their meanings.
2009	Benha University	Management of Scientific Research
2006	Benha University	Legal Aspects
2006	Benha University	Word Processing
2006	Benha University	Effective Communication
2006	Benha University	Windows Operating System
2006	Benha University	Evaluation of teaching
2006	Benha University	Basic Concepts of Information Technology
2006	Benha University	The use of technology in teaching
2006	Benha University	Use and maintenance of instructional display equipments
2005	Benha University	Decision Taking & Problem Solving

7. Participation in the Committees of the Development of the Educational Process:

Duration	Membership
2014 : So Far	Chairman of College Councils, Benha University
2014 : So Far	Member of the Board of Benha University
2018	Chairman of disciplinary boards in Benha University: Faculty of school, teaching assistants and lecturers and students
2014 : So Far	Chairman of the committees of the Council of the College of agriculture.
2017-2018	Chairman of the Commission to follow up the implementation of the strategic plan of the Low College, Benha University during the period from January to June 2017 - 2018
2017-2022	Head of the group preparing the strategic plan for the College of agriculture, Benha University for the period 2017-2022
2012-2017	Member of the group preparing the strategic plan for the College of agriculture, Benha University for the period 2012-2017
2017	Member of the Committee for scientific research, marketing unit
23/5/2016	The College accreditation; the National Quality Assurance Affairs of Egypt
2010-2011	Committee of education affairs at the faculty of Agriculture.
2016 till now	Member of the Supreme Committee for the international classifications of universities (QS staff member)

**Curriculum Vitae of
Prof. Dr. Mahmoud Maghraby Iraqi Amer**

Duration	Membership
2009-2010	College Board in the academic
2009-2010	The faculty financial resources development Committee
2007-2012	Coordinator of the Department of Animal Production in the committees of quality assurance and performance improvement of the faculty.
2007-2008	Committee of education affairs at the faculty.
2004-2008	Committees of Developing labs at the department and the computer labs at the faculty.
2004-2005	Committee of education affairs at the faculty.

8. Participation and signing of cooperation protocols:

Participant and/or signing 10 scientific research protocols and 11 community service protocols between Benha University and national and/or foreign Universities, Institutes, as well as companies.

9. Participation in Projects:

Duration	Project name
2017-2018	The Executive Director of the project " Development of livestock in the village " - Intensification and production of genetically Moshtohor rabbits in Kafr Elwan, Kafr Hassan and Meet Asem villages, Qalyoubia (application forms) – in cooperation with the Bank of Misr for development and community service.
2014-2017	Director of the project research for agricultural biotechnology through excellence in research labs-project code CEP2-026-BEN
2015-2016	Director of the project entitled "updating infrastructure for biotechnology in biosafety unit for some animal products in Qalyoubia Governorate "
2015-2016	The Executive Director of the project " Development of livestock in the village " - Intensification and production of genetically Moshtohor rabbits in MOSHTOHOR and NAMOUL villages, Qalyoubia (application forms) – in cooperation with the Bank of Misr for development and community service.
2015-2016	The Consultant of the project "Intensification and production of Quill birds in MANZALAH village for increasing meat and eggs", Qalyoubia (application forms) – in cooperation with the Bank of Misr for development and community service.
2014-2015	The Executive Director of the project " Development of livestock in the village " - Intensification and production of genetically enhanced rabbit in TERSA and KARKASHANDA villages Qalyoubia (application forms) – in cooperation with the Bank of Misr for development and community service.
2012-2013	The Executive Director of the project " Development of livestock in the village " - Intensification and production of

2009 : So Far	Member of the national team training project: " Pathways to Higher Education, Egypt ", which aims to train University students and young graduates in Benha University — and here with the Faculty of engineering, Cairo University in cooperation with the international development "Ford"
2007- 2009	Principal investigator for the project of " Meat rabbits production; evaluation and genetic improvement of both of Egyptian & Spain strains ", in collaboration with the Spanish International Agency (AECI), Spain. ²
2003-2006	Principal investigator for the project of " <i>Development of rabbits strains in Egypt</i> ", in collaboration with the Spanish International Agency (AECI) and the center of Cooperation for development, university of Valencia, Spain, titled: " <i>Production of purebred and crossbred parents of rabbits to be distributed to the small breeders in the middle and east of Delta</i> " ³ .

10. Development of Local Environment & Community Service

Participation:

Year	Activity
2014 - 2018	Organize many training courses for small holders participated in project of " Development of livestock in the village " and participating as a trainer in " <i>Practical applications in Rabbit breeding and management</i> ". (50-57 persons) http://www.bu.edu.eg/faculty/agriculture%20-%20training.html
2013	Organize training courses for small holders participated in project of " Development of livestock in the village " and participating as a trainer in " <i>Practical applications in Rabbit breeding and management</i> ". (4 th group, 25 persons) http://www.bu.edu.eg/faculty/agriculture%20-%20training.html

² The project is supported by the Center International de Hautes Etudes Agronomiques Mediterranean (CIHEAM), Spain titled: "Sustainable production of rabbit meat" Evaluation and genetic improvement of Spanish-Egyptian rabbit lines ". it aims at continuing the genetic improvement for rabbits in Egypt through the genetic improvement of the Egyptian and Spanish strains and the Moshtohor novel strain developed in Egypt.

³ The project aims at formulating a novel strain through crossing between the Egyptian Sinai Gabali rabbits and the Spanish V-line elected to improve the characteristics of maternity.

2008	Organize training courses for students and the public in addition to supervising and participating as a trainer in " <i>Rabbit breeding and management</i> ", http://www.bu.edu.eg/faculty/agriculture%20-%20training.html
2006	Derive a new synthetic line of rabbits called " Line Moshtohor " (http://www.iamz.ciheam.org/medrabbbit/docs/moshtohor.pdf). Moreover research is going on to improve and increase productivity of this strain, as well as its distribution among small breeders and research bodies in Egypt.
2005	Organize three training courses for students and the public in addition to supervising the training in " <i>Rabbit breeding and management</i> ", aiming at disseminating rabbits industry in El-Qalyoubia. http://www.bu.edu.eg/faculty/agriculture%20-%20training.html
2004	Participate in the University integrated group convoys in some villages of El-Qalyoubia Governorate.
2004	Prepare and organize training seminars (lectures) entitled " Rabbit breeding and management " for small breeders and agricultural engineers in agricultural departments relating to El-Qalyoubia Agriculture Directorate in (Benha, Takh, Shebeen Al-Qanater, Al-Qanater, Qalyoub, Al-Khanka, Kafr Shukr). http://www.bu.edu.eg/faculty/agriculture%20-%20training.html

11. Training Courses, Home or Abroad:

Year	Location	Participation in courses entitled:
2008	University of Valencia, Spain	Use of modern technologies in breeding and genetics of animal and poultry
2003	Zaragoza, Spain	Rabbit meat production systems
2001	University of Alexandria, Egypt	Molecular techniques in nucleic acids & proteins

⁶ The training material used was "Statistical Analysis of the data."

⁷ The training material used was "Statistical Analysis of the data."

**Curriculum Vitae of
Prof. Dr. Mahmoud Maghraby Iraqi Amer**

Year	Location	Participation in courses entitled:
1997	Kiel University, Germany	Theory and Application of Variance Components Estimation in Animal Breeding
1992	CEMARP, Egypt	Introduction to DBASE 4, Word perfect, Introduction to SAS and DBASE 4 (level 2)

12. Supervision, Examination and Referee:

Item	Master Degree	Ph.D. Degree	Total
Supervision	16	11	27
Examination	16	10	26
Qualification Exam for Ph.D. students	-	-	16
Examination of scientific production for promotion	-	-	7
Referees of papers	-	-	36
Total	-	-	112

13. Research Publications:

Has published more than 58 researches in international, world and local specialized journals and conferences.

- Egyptian Society of Animal Production (ESAP).
- Member of Gate of the Egyptian University Libraries. <http://www.eulc.edu.eg/eulc/libraries/start.aspx>

18. Contribute to the Constructive Activity at the Faculty:

- Establishment the fish farm project to produce 150-200 tons/year as a kind of intensive fish production in the Delta (2017-2018).
- Establishment of three greenhouses using hydroponic system and water supply through the water cycle of the fish farm and greenhouses and vice versa in 2017-2018.
- Establishment modern greenhouses for land and water Science Department in 2017-2018.
- Opening of new agricultural engineering building in 2016.
- Opening the chemistry building and main library of college in 2016.
- Opening Research Labs complex featuring eight specialized laboratories in different fields in 2016.
- Opening the Youth Development Center building College in 2016.
- Opening of the Spanish greenhouse financed by the International Labour Organization (ILO) in 2015.
- Participate in the establishment and processing of farm poultry at the faculty.
- Contribute to the establishment of computer lab, at the department of animal production.
- Renew and develop the farm rabbits.
- Contribute to the development of the computer lab at the faculty.
- Contribute to preparation and development of labs at the department.
- Contribute to the renewal of the Hatching lab.
- Technical supervision on the farm of breeding rabbits at the faculty.
- Establishment of a unit for the manufacture of fodder to feed the rabbits at the faculty.

19. Referees:

a) Editor-in-Chief:

1. Editor in-Chief of the journal Global Academy Research Journals (GARJ) (4th June, 2015 till now). Editor in-Chief of the journal Global Academy Research Journals (GARJ) (4th June, 2015 till now). <http://www.globalacademicresearchjournals.org/GJAR/editorial-board>

20. Conference Organization:

1. President of the 4th International Conference on the applications of biotechnology in agriculture (ICBAA) and the Chairman of the Scientific Committee and the Editorial Committee and member of the Organizing Committee – held in 3-7 April 2018, Hurghada, Egypt. Organized by Faculty of Agriculture, Benha University, Egypt. <http://www.icbaa.bu.edu.eg>
2. Participate in organizing and scientific committees of the *2nd International Sino-Egyptian Congress on Agriculture, Veterinary Sciences and Engineering*, held in 7-10 October 2017, Benha University, Egypt.
3. President of the 3rd International Conference on the applications of biotechnology in agriculture (ICBAA) and the Chairman of the Scientific Committee and the Editorial Committee and member of the Organizing Committee – held in *Moshtohor-Sharm El-Sheikh, Benha University, Egypt, 5-9 April 2016*. (<http://www.biotech-agric-conf.com/>)
4. Coordinator of the 2nd International Conference on the applications of biotechnology in agriculture (ICBAA) and the Chairman of the Scientific Committee and the Editorial Committee and member of the Organizing Committee – held in Moshtohor and Hurghada, 8-12 April 2014 (<http://biotech-agric-conf.com/>) – organized by the Faculty of Agriculture of Moshtohor - Benha University. <http://biotech-agric-conf.com/>

5. Participate in organizing and scientific committees of the 1st International Conference on the applications of biotechnology in agriculture – Moshtohor - Hurghada, 18-22 December 2012 – organized by the Faculty of Agriculture of Moshtohor - Benha University.

21. Assessment and Recognition:

- A certificate of appreciation from the Dean of the Faculty for my role in derivation of a novel strain of rabbits called "Line Moshtohor", which is characterized by high production as well as their adaptability to the hot weather conditions in Egypt and the Arab region, also for my role in managing the project to improve strains of rabbits in the College, in collaboration with the Spanish side (represented by the University of Valencia & International Commission of the States of the Mediterranean).
- A certificate of appreciation from the president of Benha University, for my effort in preparing and organizing several training seminars entitled "***Rabbit breeding and management***", for small breeders, college graduates and agricultural engineers in the Directorate of Agriculture, El-Qalyoubia, from 20/6 to 7-7/ 2004, 5-19/2/2005 and from 19-20/3/2005 and from 17-23/3/2008.
- Certificate of appreciation from the President of the University in the contest of the best faculty in the University Residence Hall of the ceremonial ball in College on Wednesday, 25/6/2014, in honor of lifting classified portal for the whole world to the Spanish webometrics ranking, which measures the activities of educational institutions on the website where I got the first position at the school of agriculture. <http://www.bu.edu.eg/BUNews/17201> .
- Certificate of appreciation from the President for superiority in Scientific Research and International publishing in the University Residence Hall of the ceremonial on Wednesday, 25/6/2015, in honor of lifting classified university portal for the whole world to the British Q&S ranking.
